Biographies

Michael W. Sim, M.D.

Dr. Michael Sim provides care and expertise in head and neck cancer and reconstructive surgery. His aim is to provide the highest level of care to his patients with a patient-centered and team approach. He currently serves as Assistant Professor in the Department of Otolaryngology in the Indiana University School of Medicine.

Dr. Sim received his medical degree from Loma Linda University School of Medicine, California. He completed Otolaryngology - Head and Neck Surgery residency at the University of Michigan followed by a Head and Neck Oncologic and Reconstructive Surgery fellowship at Vanderbilt University. Dr. Sim is certified by the American Board of Otolaryngology.

Mary Tylke, Pharm.D.

Dr. Mary Tylke is a Clinical Account Executive for RxConnection. Dr. Tylke's approach to assisting clients involves actively reviewing claims data to identify wasteful spend and emerging trends. Other primary roles for Dr. Tylke include consulting clients on PBM clinical program validation and maintaining RxConnection clinical programs. Dr. Tylke's passion focuses on educating clients from a clinical perspective so that they can make informed decisions on their prescription benefit.

Prior to joining the RxConnection team, Dr. Tylke worked in the retail pharmacy setting for nearly 20 years as a pharmacy technician, pharmacist and pharmacy manager.

Dr. Tylke graduated with a Doctor of Pharmacy degree from the University of Wisconsin – Madison. She has also earned certifications in HIV and diabetes education.
