

Affiliate Membership Benefits

Employers' Forum of Indiana:

The Employers' Forum of Indiana is a non-profit 501(c)(3) public charity whose goal is to improve the value employers and patients receive for their healthcare expenditures. The Forum is an employer-led healthcare coalition comprised of employers, physicians, hospitals, insurers, benefit consultants, and other interested parties. The Forum welcomes organizations who are eager to actively engage and collaborate.

Affiliate memberships are offered to select organizations upon request. These organizations wish to learn about the Indiana healthcare marketplace but are not a primary healthcare stakeholder in Indiana. Affiliate organizations will not have the opportunity to influence Forum strategy, meeting agendas, or participate in Forum initiatives; however, they are welcome to attend All-Stakeholder Meetings. No promotion of products or services are permitted.
