

Employers' Forum of Indiana Membership Benefits

The Employers' Forum of Indiana is a non-profit 501(c)(3) public charity whose goal is to improve the value employers and patients receive for their healthcare expenditures. The Forum is an employer-led healthcare coalition comprised of employers, physicians, hospitals, insurers, benefit consultants, and other interested parties. The Forum welcomes organizations who are eager to actively engage and collaborate.

We offer three levels of membership in the Forum: Employer Membership for companies who employ Hoosiers, Stakeholder Membership for local healthcare players, and Affiliate Membership for interested parties without a primary healthcare stake in Indiana.
