- IV. Closing Remarks**

## Biographies

### **Mickey Kanosky**

Mickey Kanosky is the Regional Vice President of Indiana Healthcare Network for Anthem (Elevance Health) since April 2022. She began her career with Anthem in 2016 and has progressively taken on greater scope and responsibility including helping to stand up and support some of Indiana's deepest provider partnerships. From 2020-2022, Mickey held the position of Director of Facility Contracting, leading critical work to help drive affordability for Indiana consumers while supporting important growth initiatives across Commercial, Medicaid and Medicare. Prior to joining Anthem, Mickey held various leadership and management roles, including a senior management role with Blue Cross Blue Shield of Illinois, an HCSC plan, and regional and national management roles with HCR ManorCare on the provider side.

Mickey holds a B.S. in Business Administration and an MBA. She resides in the Indianapolis area with her husband of twenty-one years, Jeff, whose lifelong nursery work and love of plants brought them to Indiana. Their oldest daughter recently started college and their youngest daughter is in high school. Mickey and Jeff were both raised in large families and keep family at the top of their priority list. Their greatest joy comes from time spent with family, including traveling, cruising, reading, retail therapy, working Jigsaw puzzles, watching sporting events (Cubs baseball, University of Illinois basketball, and Notre Dame football), and of course, updating their landscape!

### **Jessica Lopez-Liggett**

Jessica Lopez-Liggett is a results-driven executive leader with 20 years of experience in the healthcare industry. She was named Regional Vice President of Sales for Anthem Blue Cross and Blue Shield in 2022. In this role, she is responsible for overseeing sales initiatives designed to deliver better health outcomes and affordability for the state's healthcare consumers.

With a strong focus on building and maintaining relationships, Jessica brings a deep understanding of the employer market coupled with the ability to develop health benefits strategies to meet their unique needs. She is a strategic thinker with a relentless dedication to delivering outstanding results for clients.

Jessica is a graduate of the University of Missouri St Louis and is passionate about serving under-resourced communities. She was an active volunteer with the St. Louis Area Food Bank and a member of the Whitney M. Young Society, which supports the programs and services of the St. Louis Urban League. Jessica is also a participant of the McKinsey Hispanic & Latino Executive Leadership Program which enables her to play a role in developing future leaders with a focus on diversity and inclusion.

In her personal life, Jessica enjoys traveling, hiking, health and fitness activities, and spending time with her family.
