

Stakeholder Membership Benefits

Employers' Forum of Indiana:

The Employers' Forum of Indiana is a non-profit 501(c)(3) public charity whose goal is to improve the value employers and patients receive for their healthcare expenditures. The Forum is an employer-led healthcare coalition comprised of employers, physicians, hospitals, insurers, benefit consultants, and other interested parties. The Forum welcomes organizations who are eager to actively engage and collaborate.

Our Stakeholder Membership is available to healthcare organizations who serve Indiana and employers with interests in Indiana. Stakeholder members are key players in our mission to improve the quality and value of health care for employers, and we're strengthened by your voice in the Forum.
