

The COVID & Vaccine Pulse Survey may use the following questions based on the distribution status of the vaccine and the current status/climate for students and employees. The survey will take participants around 5 minutes to complete.

Initial Demographic Questions

1. Please select your campus.
 - IUPUI
 - IUPUC
 - IU Bloomington
 - IU East
 - IU Fort Wayne
 - IU Kokomo
 - IU Northwest
 - IU South Bend
 - IU Southeast
 - IU School of Medicine

2. Please select your primary status.
 - Student – Undergraduate
 - Student – Graduate
 - Staff
 - Faculty
 - Other

Vaccine Status

1. Vaccines to prevent coronavirus/COVID-19 have been approved by the FDA for use in the United States. The vaccines are available to all residents of Indiana aged 16 and older. Did you already get a vaccine?
 - Yes
 - No

[If “Yes” to Q3]

2. How many shots have you received so far?
3. How many shots total are you supposed to get?

[If “No” to Q3]

4. Please indicate how much you agree with the following statements about getting vaccinated within one week.

	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
I will make an appointment to be vaccinated within one week.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
My making an appointment to be vaccinated within one week is a good thing to do.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Most people important to me think I should make an appointment to be vaccinated within one week.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Most people like me will make an appointment to be vaccinated within one week.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am confident that I can make an appointment to be vaccinated within one week.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Concluding Demographic Questions

5. What is your gender?
 - Female
 - Male
 - Other

6. Are you Hispanic or Latino/a/x?
 - Yes
 - No

7. Which of the following best describes your race?
 - American Indian or Alaska Native
 - Asian
 - Black or African American

 - White
 - More than one race
 - Other

8. What is your age?

Rotation Questions

Based on current climate and organizational needs, participants may see a limited set of items from the *Rotation List* below. All items besides the open-ended questions will be rated using a strongly disagree to strongly agree scale.

Attitudes

Towards vaccine

- I believe the vaccine is effective.
- I believe the vaccine is safe.

Towards other healthy behaviors

- I will continue to wear a mask after getting vaccinated.
- I will continue to practice physical distancing after getting vaccinated.

Towards contracting COVID

- I am worried about contracting COVID.

Confidence

- I have all of the information I need about getting vaccinated.
- I know when the vaccine will be available to me.

Environmental & Outside Factors

- It will be extremely challenging to receive two vaccine doses.

IU Brand & Communications

- IU is a leader in health.
- IU is a leader in the fight against COVID-19.
- IU takes on Indiana's and the world's most complex health problems.

Open-ended Questions

- What information would you like to see from IU relating specifically to the vaccine? Please use the space below to give your feedback.
- What would make you less likely to get vaccinated?
- What would make you more likely to get vaccinated?
- How do you feel about getting vaccinated for COVID?
- How do your peers view getting vaccinated?
- Are there any factors outside of your control that might prevent you from getting vaccinated?

Approved questions added for A001 (2/13/21)

- Name one advantage of you going to get the COVID-19 vaccine
- Name one disadvantage of you going to get the COVID-19 vaccine
- Name one thing that might make it easier for you to go get the COVID-19 vaccine
- Name one thing that might make it harder for you to go get the COVID-19 vaccine

Approved questions added for A002 (3/22/21)

- Name one person or group who would approve of you going to get the COVID-19 vaccine. We are looking for types of people - not specific people or names.
- Name one person or group who would disapprove of you going to get the COVID-19 vaccine. We are looking for types of people - not specific people or names.
